

Pearson BTEC Level 05 HND in Computing Conducted by SLT- MOBITEL Nebula Institute of Technologies

SLT- MOBITEL Nebula Institute of Technology is an “A” grade center for conducting Pearson BTEC Level 05 HND in Computing with high standards. On the completion of this 02 year pre degree diploma course and a well-designed 06 month in-plant training at SLT- MOBITEL. You are eligible to follow the 03rd year of B.Sc. or B.Eng. in more than 100 universities in U.K, U.S.A, etc..

Pearson BTEC Level 05 HND in Computing															
Conducted by	SLT- MOBITEL Nebula Institute of Technology														
Course Duration	02 years														
Training	06 month in-plant training at SLT- MOBITEL														
Minimum Credits Earned	240														
03 rd Year of of B.Sc. or B.Eng.	In more than 100 universities in U.K, U.S.A, etc..														
Course Conducted in	SLT- MOBITEL Nebula Institute of Technology														
Entry Qualification	Passed GCE Advanced Level with 2 passes in any stream or equivalent AND Credit pass for English language at GCE Ordinary Level or GCE Ordinary Level with credit pass for English or equivalent AND successfully completed a Certificate Course in Information Technology (CAIT) program conducted by SLT- MOBITEL Nebula Institute of Technology or Successfully completed a BTEC Level 3 qualification in Computing, Business or Creative Digital Media Production														
Medium	English														
Course Fee (02 year)	Rs 385,000 + (£ 294 +SSCL Tax* + Rs. 1000.00 (Bank Charges)														
Installment Facilities	<table style="width: 100%; border: none;"> <tr> <td style="width: 50%;">Registration Fee</td> <td style="width: 50%;">Rs 25,000.00</td> </tr> <tr> <td>1st Installment</td> <td>Rs 60,000.00</td> </tr> <tr> <td>2nd Installment</td> <td>£ 269+ SSCL+ Rs. 500.00 (Bank Charges)</td> </tr> <tr> <td>3rd Installment</td> <td>Rs 125,000.00</td> </tr> <tr> <td>4th Installment</td> <td>Rs 100,000.00 + £ 25+ SSCL+ Rs.500.00 (Bank Charges)</td> </tr> <tr> <td>5th Installment</td> <td>Rs 75,000.00</td> </tr> <tr> <td colspan="2">5% Discount for full payment</td> </tr> </table>	Registration Fee	Rs 25,000.00	1 st Installment	Rs 60,000.00	2 nd Installment	£ 269+ SSCL+ Rs. 500.00 (Bank Charges)	3 rd Installment	Rs 125,000.00	4 th Installment	Rs 100,000.00 + £ 25+ SSCL+ Rs.500.00 (Bank Charges)	5 th Installment	Rs 75,000.00	5% Discount for full payment	
Registration Fee	Rs 25,000.00														
1 st Installment	Rs 60,000.00														
2 nd Installment	£ 269+ SSCL+ Rs. 500.00 (Bank Charges)														
3 rd Installment	Rs 125,000.00														
4 th Installment	Rs 100,000.00 + £ 25+ SSCL+ Rs.500.00 (Bank Charges)														
5 th Installment	Rs 75,000.00														
5% Discount for full payment

* The above course fee is subjected to change as per the applicable government taxes and franchise payment changes.

Pearson BTEC Level 05 HND in Computing

Modular (Level 04 & Level 05)

Modular Title	Software Engineering	Network Engineering	Data Analytics	Cyber Security	Level	Points
1. Programming	C	C	C	C	4	15
2. Networking	C	C	C	C	4	15
3. Professional Practice	C	C	C	C	4	15
4. Data Base Design & Development	C	C	C	C	4	15
5. Security	C	C	C	C	4	15
6. Planning a computing project (Pearson Set)	C	C	C	C	4	15
7. Software Development & Lifecycles	S	-	-	-	4	15
8. Data Analytics	-	-	S	-	4	15
9. Computer System Architecture	-	S	-	-	4	15
10. Cyber Security	-	-	-	S	4	15
14. Maths for Computing	C	C	C	C	4	15
16 .Computing Research Project (Pearson Set)	C	C	C	C	5	30
17. Business Process Support	C	C	C	C	5	15
18. Discreate Maths	S	-	-	-	5	15
19. Data Structures & Algorithms	S	-	-	-	5	15

20. Applied Programming & Design Principles	S	-	-	-	5	15
24. Advanced Programming for Data Analysis	-	-	S	-	5	15
25. Machine Learning	-	-	S	-	5	15
26. Big Data & Visualisation	-	-	S	-	5	15
27. Transport Network Design	-	S	-	-	5	15
28. Cloud Computing	-	S	-	-	5	15
29. Network Security	-	S	-	-	5	15
30. Applied Cryptography in the Cloud	-	-	-	S	5	15
31. Forensics	-	-	-	S	5	15
32. Information Security Management	-	-	-	S	5	15
33. Applied Analytical Models	C	C	C	C	5	15
34. Analytical Methods	C	C	C	C	5	15

C – Compulsory
S - Special Unit
